FUND-RAISING CAMPAIGN 2007

Every year, the Canadian Louis Pasteur Foundation holds a fund raising campaign, seeking donations from individuals and from corporations to finance its endowment fund. ▶ **FUN AND FUND-RAISING: OCTOBER 30<sup>TH</sup>**

The 2007 our ever-spectacular fund-raising event will be held on October 30th on the Parquet floor of the Centre CDP Capital, 1000 Place Jean-Paul Riopelle, in Montréal. This year, the evening's entertainment will be provided by an acrobatic troupe called 'Les 7 doigts de la main'.

This original group was created in 2002 by seven seasoned circus performers who had seen the limelight with the best known circuses and cabarets, such as le Cirque du Soleil, the Cirque Éloize, Wintergarden Variety, Teatro Zinzanni, Cirque Knie and Duck and Circumstance.

Their creations are daring, intimate with a contemporary feeling. The artists share with the audience an amazing mix of acrobatics, modern dance, music, light projections, interactive video, direct DJ, etc. The result is an unbelievably innovative performance.
